

**4 bedroom discount market home
for sale in Bromham
£336,000 fixed price**

A four-bedroom link detached family home with four bedrooms, parking and gardens for sale at Breach Close, Bromham. The home is being sold as a discount market unit with a discount of 20% applied to the open market value. The home is at a fixed price of £336,000.

Strong preference will be given to people with a connection to the Parish of Bromham who are not able to compete in the private housing market because their household resources are too low to facilitate purchase on the open market in the village. If no-one with connections to Bromham meets the criteria, people in a similar position from surrounding parishes will be considered. Any future sale is covered by the same conditions as this is not a normal market home.

For further details please contact Wiltshire Council's low cost home ownership service at lcho@wiltshire.gov.uk.
