WELCOME TO THE BROMHAM HOOT

Welcome to the September/October 2021 edition of the Bromham Hoot.

In this Hoot, you can read about the 378th anniversary of the Battle of Roundway Down, find out who won the Carnival Teddy Bear Trail and how you can help make new bunting to decorate the village for next year's Carnival. There's more information about how village organisations will be re-starting meetings in September, and there's an update on the Social Centre Rebuild that includes a survey form for you to have your say about what you would like to see in a new building.

We are extremely grateful to all our advertisers. Please do support them; it's our advertisers who make The Hoot possible. Thank you to everyone who has contributed content - do keep it coming. Please keep telling us what you like, and don't like about The Hoot, and send us anything you think the village might be interested in. Finally, I mustn't forget to thank all of the small army of distributors who deliver the Hoot to nearly 1000 homes in the village every two months.

Thank you to Stacey Wall for the cover photo from her wildlife garden. Find out more about wildlife gardens in the article by the Eco Bromham group, or follow their Facebook page.

The next issue of The Hoot will be for November/December, and should be distributed at the end of October. The deadline for content and advertising will be Friday October 15th.

Bromham Pudding Run 2021

The friends of St Nicholas School would like to give advance warning that the annual Pudding Run 10km road race will take place on Sunday the 5th December 2021.

The race starts in Greystones at 11.00am and takes a circular route twice through the village along the High Street, New Road, Hawkstreet, Devizes Road, Highfield, The Pound, Horsepool and back on to the High Street. The race ends at the Social Centre car park following completion of the second circuit.

As always we hope to minimise disruption and wish to apologise

The Pudding Run is St Nicholas School's biggest fundraiser and following not running the event in 2020 it is important to get it back up and running.

If you wish to help out at the event in anyway or are able to sponsor the event please contact puddingrun@live.com
If you have previously helped out with the event we will be contacting you soon! Thank you in advance for your continued support.

BROMHAM PARISH COUNCIL REPORT JULY - AUGUST 2021

There has been a lot happening since the last PC report

Social Centre:

Following the disaster of losing the Social Centre in June, once again the community has come together.

A subcommittee of the Parish Council, members from the Social Centre Committee and Parishioners has been elected. Lots of meetings and work has been carried out. The insurance Company AVIVA has agreed its cover, although it is thought we were under insured at £742,000, the estimate for a 'like for like', building with new building regs. will cost approximately £1,14 million. AVIVA solicitors are working on our behalf to agree liability from the contractor's insurers to cover the full cost of the new build.

The site has been surveyed and cleared, a new temporary building has been positioned on the Jubilee Field at a cost of approx. £5000.00 which the Social Centre Committee has agreed to fund.

Many thanks to Jonathan Seed who was able to source this. This will provide a temporary meeting room for village organisations and bookings can again be made.

The PC has received a first draw down of £50,000 to cover the demolition work carried out (this will come out of the building insurance pot of £742,000)

There will be regular updates and information will be available on the committee's Facebook page, on the new notice board at the entrance to the carpark and on the village website under the Parish Council, plus the HOOT and leaflets.

A crowd funding page has also been set up, or donations can be made out to Bromham Parish Council via the Clerk.

Defibrillator: The defibrillator at the Social Centre survived the fire but the cabinet has to be replaced. The cabinet has been ordered and will be relocated on the temporary building.

Traveller's Planning Application, New Road PL/2021.07209: An application was received by WC for 1 Gypsy and Traveller pitch. This was declined by WC due to existing Enforcement Orders on the site.

The Court Hearing for noncompliance of the Enforcement Orders on 3rd August has been rescheduled as the case was adjourned until 12 October 2021 at Salisbury Magistrates' Court, due to the defendant being unable to attend.

BMX Track: A £5000 grant from Devizes Area Board has been agreed towards the new tarmac surface.

New Orchard: A stone has been acquired for a plaque. Dead trees to be replaced in the Autumn.

Public WC at the Pavilion: This has now been re-opened.

The Pavilion: It was considered that the pavilion could be revamped for temporary use for meetings when a quote for a new mobile was £204,000 to provide and install was acquired, but due to the offer of the existing mobile both were disregarded. During discussions the pavilion was inspected and it was agreed that considerable work is required to update and repair issues. A joint meeting was held with the football club, it was agreed that grants can be obtained from the Football Association and Area Board, in the meantime the FBC will decorate and tidy for the new season, and will then address the issues jointly with the PC.

Burial Fees: The last review was 2019. It was agreed to increase fees by 10%.

Allotments: Mr & Mrs G Brown won the Best Kept Small Allotment this year. (Plots NR1 & NR9) A cup and certificate was presented by the Chairman. The prize for winning - one plot will be rent free for one year.

CATG Meeting: RH attended and it was agreed that a survey would now go ahead to consider a 50MPH scheme on the A342. Also Village Shop signs to be erected on the A342 junctions to the village centre. The funding request for 3 additional lights across the Pound footpath has been rejected due to the Pound footpath being across private Crown Land. RH met with the Crown representative and he had no objections to solar lights. This is to be discussed at the September PC meeting.

Finance: The quarter accounts agreed—General acc £24098.64 Investment acc £25498.78 Other acc £1328.55. Audit amendments were agreed.

Many thanks to Joy Todd for looking after the village website and an annual honorarium was paid.

Rosalind Humphries was thanked for her role as Clerk and received overtime to cover the additional work load.

Queen's Platinum Jubilee June 2022: The PC agreed to purchase commemorative mugs for the school children.

All Parish Council minutes are available on the Village website when approved.

LAURA MAYES - Wiltshire Councillor for Bromham, Rowde & Roundway

There's a moment when you wake to a slight chill in the air, and you know that autumn is on the horizon. Although it signals the end of summer, I love seeing the harvest being gathered, the blackberries ripening in the hedgerows and the gradual move into the next season. Bromham's rural setting allows us to appreciate these changes in all their glory.

Whilst change can be hard, it also gives rise to opportunity. I have met with representatives from the newly formed Bromham Social Centre Rebuild Group which is a sub-committee of the Parish Council. It is great to see the way things have moved so quickly, and I look forward to seeing the new temporary building on the site once the demolition has been completed. I am working with Devizes Area Board colleagues to see how we can ensure furniture and equipment are provided to help groups start meeting again once the building is ready.

My husband and I had a great afternoon at the Teddy Bear Trail last month. It was brilliant to see the way the village had worked together to put on such a fantastic event. I just wish we were better at guessing the clues – our knowledge of family films was severely lacking!

Please email me if there is anything I can help you with - my email address is laura.mayes@wiltshire.gov.uk

VILLAGE DEFIBRILLATORS

Following the fire at the Social Centre the defibrillator has been removed and is waiting to be relocated at the temporary building. In the meantime, here is a reminder of where the other defibrillators are located in the village.

Hawkstreet: Telephone Kiosk

Netherstreet: Telephone Kiosk (near the Haveli)

Angell House, Highfield

Collins Farm Shop (on fence by entrance gate)

In case of an emergency and these needing to be used, you simply dial 999 and give the location and the Ambulance Service will provide the code which opens the cabinet.

Bromham Post Office

The Post Office service has a new venue. As from Monday 23rd August, Tina will be moving her Post Office to the new Clubhouse venue by the Social Centre car park.

Opening times will be as usual, Monday 13.30 - 15.30 and Wednesday 9.00 - 11.00.

Thank you to the Rev. Ruth, John Drew and the Church for providing temporary accommodation. Thank you to all concerned for making this happen so quickly. Thank you to all who continue to support this service.

Bromham Veterans

The Bromham Branch of the Royal British Legion will soon be celebrating its 100th birthday, having been formed on 4 February 1922 by local servicemen who had returned from the Great War.

With the drawdown in the armed forces and their associated support mechanisms, there has never been a greater need for local communities to support former service men and women, and to keep the memory alive of those who paid the ultimate sacrifice so that we may live in peace. Local villagers have steadfastly done so for the past 100 years, and the Bromham Branch intends to uphold this tradition of community friendship for the next 100 years, or more, through regular meetings, organized activities, our support of local events such as the Carnival and annual Remembrance Service, or in simply being here when help is needed.

But we need your help to do so. Membership of the British Legion is, of course, open to all who have served. However, not very many are aware that membership is open to everyone. In fact, we would argue that membership is not needed at all - all that is required is a willingness to support local veterans in whatever capacity they might need.

So, please let us know if you would be prepared to help in whatever way you can by emailing us at bromhamveterans@gmail.com or by pulling up a sandbag at our regular informal gatherings at 7:30pm on the 3rd Wednesday of every month, or perhaps just by giving us an email address by which we can keep in touch.

Whatever support you can give will be most welcome

BEST KEPT ALLOTMENT 2021

The Parish Council Chairman, Mr. P Paget, awarding the trophy for the Best Kept Allotment 2021 to Mr and Mrs Graham Brown.

The judges commented "Overall the standard was very high this year and it was difficult to choose a winner. The judges were impressed by how Mr and Mrs Brown had taken 3 vacant plots and turned them into productive allotments"

13th July: A date to remember

Wiltshire Museum organised an anniversary tour of the Battle of Roundway Down in mid-July. Around thirty of us turned up at the eastern edge of Leipzig Plantation on the 378th anniversary of the battle, where we were met by Julian Humphrys, the tour leader. We couldn't have had anyone better qualified. Not only is Julian the Development Officer of the Battlefields Trust as well as one of its trustees, but he also set up and continues to lead battlefield hikes for English Heritage.

Clasping his own book "Clash of Arms" Julian took us on a circular walk, starting north on the broad track down Roundway Hill to the Old Bath Road, stopping off now and again to share his knowledge of the battle and read extracts from his book. Turning left we followed the Old Bath Road before turning south along the track leading to Oliver's Castle and back to the Leipzig Plantation. We were out for four hours, which might seem unduly long for a walk of only 7km but it's a measure of how informative Julian was that the stops took up well over an hour of that time.

Along the way we were reminded about the conflict between Charles I and Parliament that led up to the Civil War; that most people didn't want to take sides but were eventually forced to; that because the uniforms worn by the Royalists and Parliamentarians were so similar, unlike illustrations in some history books, each side had to wear a "field sign" like a white armband or a feather in their cap. Not the smartest idea perhaps because, as Julian pointed out, the system was obviously open to subterfuge, with one side adopting the field sign of the other.

We learnt that the leaders of each side at the battle, Sir John Hopton and Sir William Waller, were good friends. We heard that the derivations of "flash in the pan" and "keep it under your hat" both had 17th century military origins, and that the Bloody Ditch may not have been quite as bloody as local folklore would have it, although it's likely that a handful of unfortunate Parliamentarians, in their rush to get away from the pursuing Royalists, did meet their end below Oliver's Castle.

Mike White

From our twin village of Ingrandes-Le Fresne sur Loire in France

Dear Janet and members,

We hope you are well.

We have learned with sadness the fire that happened in the social centre in Bromham.

We recalled all the good memories in this place with you. We think about you and send our moral support to you and the inhabitants of Bromham.

Best regards,

Christophe et Bénédicte Pineau et Twinning Committee of Ingrandes-Le Fresne sur Loire

TEDDY BEAR TRAIL 2021

What a fabulous weekend we had with this year's Teddy Bear Trail – even the weather was kind to us and the village was teeming with visitors from as far afield as Bristol and Swindon in addition to those from closer to home.

Fifty teddies were placed around the centre of the village each representing a different family film from the last 60 years. Titles ranged from 'Mary Poppins' to 'Boxtrolls' and the creativity of the makers was the best yet.

The total monies raised over the weekend (including the Prize Draw) was in excess of £3,500 most of which will go to village organisations affected by the loss of the Social Centre.

I would like to thank everyone involved from the creators of the bears, the people who helped over the weekend, everyone who bought raffle tickets or donated raffle prizes, all the teddy bear sponsors and the advertisers in the programme, the stallholders and games organiser and the team from the carnival committee who worked so hard to make the event such a resounding success.

Most of all I would like to thank everyone who came along to share the weekend – I really hope you enjoyed it and will be coming again next year when it will be even bigger and better! And if you fancy helping out next year with any of the Carnival events please get in touch as we really need some 'new blood'!

Cathy Welch

Favourite bear was Room on The Broom – made by Denise Hammond.

Winners of the prizes were as follows:

£100 Amazon Voucher: Freya Paget

£30 Toyshop Voucher: Annabelle Miller

Rowdey Cow Ice Cream Voucher: The Dixons

£20 Devizes Books Voucher: Judith Flynn

£50 Westbrook Vouchers: Sarah Fielding & Ellen Stiles

£20 Toyshop Voucher: Amelie Stannard

Family Games Set: Fennell Family

2 Teddy Bears: Dylan & Elliot

BUNTING FOR BROMHAM!!

After the terrible fire I feared the spirit-raising Carnival bunting had been lost. Having contacted the Carnival Committee I discovered, thankfully, that it had survived, safely stored elsewhere. However, more is required for the future and especially to celebrate when our Social Centre will once again rise like a Phoenix from the ashes!

Many folk will remember that a few years ago a team led by Anne Smith made some of the current bunting. I would now like to carry on this tradition and try, over the next months, to co-ordinate folk to make more. In the spirit of Eco Bromham, Reduce, Reuse, Recycle, and with help from village organisations and village individuals, old colourful shirts, skirts, sheets, pillowcases, duvet covers, unwanted fabric from your stash, could be transformed into bunting to bring us all joy and lift our spirits into the future.

Brightly coloured/patterned fabric should be cotton or poly cotton. Thread is needed for stitching. Do you have a sewing machine? I have a template for the required dimensions which I can email to anyone interested or you could use the attached template diagram. Could you volunteer to store supplies, or cut out the double-sided pennants, or deliver the cut-out pennants to a sewing machine owner? Would you be prepared to machine-stitch and press, or machine the finished pennants to the tape?

Three pennants with equal spacing tape equates to 1 metre in length. How long can we, together, make our new bunting? Remember - "many hands make light work" and this is a marathon, not a sprint! My thanks go to Karla at The Patchwork Rabbit for her support. If you can help with this project in any way please email me.

Thank you for taking the time to consider helping with this village project!

Jenny Holiday

- 1. Add 1/4" to 1/2" to all three edges for seam allowance
- 2. Machine stitch two long sides together right side to right side
- 3. Press, and trim point seam allowance
- 4. Turn right way out and press. (A knitting needle helps with the point)

FROM THE METHODIST CHAPEL

We are now trying our best to get back to some sort of normality at the Chapel. Although we will be without a new minister until September 2022, we will be resuming services, coffee mornings etc on a regular basis.

We will be holding coffee mornings on the first Saturday in the month from 10.00 am to 12.00 noon as before.

Dates as follows: Saturday September 4th

Saturday October 2nd Saturday November 6th Saturday December 4th

Our next service is on Sunday 5th September when the preacher will be Mr Bob Farrimond. Bob will also be leading the service on Sunday October 3rd. We hope to organise a service for Harvest Festival on Sunday 26th September, please look out for posters around the village.

We extend a warm friendly welcome to everyone and continue to thank the village for all its support.

Jenny Blackman - Bromham Methodist Chapel

John Robbins

Janet, Jeremy and James and all our family wish to thank the many kind friends in the village and beyond for the many messages, cards and flowers on the loss of John on the 28th July.

We have found it overwhelming and a great comfort at this sad time.

Thank you to everyone who came to the service at St Nicholas on 18th August. John would have been so amazed at all the tributes paid to him, and perhaps especially to the R B L Bromham branch and to R A F A Calne branch, that he was so proud to be a member of for many years.

John loved living in Bromham for the last 37 years, and always wanted to join in the many activities in this wonderful and caring village.

May we also thank Rev Ruth and Anna for their very professional help in helping us the family in this saddest of times.

Could you sponsor a wing walker?

Sally Price was asked by her family what she'd like for her 80th birthday. They were rather stunned by her request to buy her a wing-walking experience! Instead of organising it, they decided to question her at an 80th birthday celebration for her and husband Gerald at the Westbrook. They wanted to know whether she was joking, or if she'd changed her mind!

Sally's granddaughter filmed the conversation - or rather, Sally's face while it was happening. The question was, says Sally, rather querulous, but her reaction made it clear she really wanted to embark on her adventure, so the wing walk is booked and will take place at Rendcomb Airfield in either September or October.

Sally hopes to raise sponsorship funds for the social centre rebuild and for the WI who lost belongings in the fire. Could you sponsor her? Search for her Just Giving page or watch out for the link on Spotted in Bromham.

BROMHAM & ROWDE CHURCHES

Have you ever been on a pilgrimage? Those who have often say that the joy is in the journey, more than in arriving.

You may not think that Bromham is a place of pilgrimage, but now that it's possible to visit places of interest again, we're hoping to encourage more people to make a pilgrimage to one, or all three, of the churches in Bromham, Sandy Lane and Rowde. We've joined the Small Pilgrim Places network and you can see our entries on their website at www.smallpilgrimplaces.org. We hope people from further afield will find our churches interesting and want to come and see them for themselves.

The three churches together make up a small pilgrimage route - and it isn't just for outsiders. The walk between the churches is a great opportunity to appreciate the beauty of our villages and to think about what they and the people who live in them mean to you. If you decide to walk the route, we'd love to hear about your experience.

Perhaps some of you have already been making a short journey to St Nicholas in Bromham over the past few weeks. You may have noticed that it has been looking a little different. We've been delighted to welcome village groups that would have met in the social centre and to host the post office. The church building belongs to everyone in the village and it is a great joy to see it used by all. But if you need some quiet space, the church is still open every day and there are plenty of times when you will find it peaceful and quiet – a great place to reflect.

VILLAGE ORGANISATIONS & ACTIVITIES

Bromham Footpath Group

During the school holidays we have reverted to our usual start time of 09.00. We have been slightly fewer in number, mainly due to people being away on holiday but we have still had a reasonably good turnout.

Nigel likes to throw a few curved balls from time to time and this month he excelled himself by bringing us back through the densely overgrown route through the dip behind Minty's Top. It took us a while to locate the bridge which spans the brook as all traces of a footpath were completely obliterated. Somehow we arrived at the steps leading up to the road but negotiating them was really tricky. It so happened that day we were joined by a new member, Laura. She must have wondered what she'd let herself in for!

August has also seen a return to normality with coffee and cake being served in the church on the second Thursday (which raised over £80 for Busy Kids), and our first monthly pub walk for nearly 18 months to start from the Lamb at Urchfont on the fourth Thursday.

The 'Bromham Amblers'

Coffee, Tea, Cakes, Biscuits & Raffle

The 'Bromham Amblers' are holding a Fundraising Coffee Morning in aid of the Social Centre Rebuild on Thursday 16th September from 10.30-12.30 at Overton House, 27 High Street, Bromham.

Fiona Burtenshaw

Notes from the Belfry

After the usual struggle to assemble 6 ringers on a Sunday morning during the holiday season, we are now back to ringing on 6 bells. We were also able to ring 6 bells for two recent weddings.

Weekly practices have been held most Tuesday evenings from 8pm to 9pm. We are (most of us) pretty rusty after such a long gap but it is good to be back on the end of a rope.

On September 11th the Calne Branch of the Salisbury Guild are holding their monthly practice at Bromham. There will be ringing from 3.30 - 4.30 pm followed by a service and a picnic tea, after which there will be a short session of ringing finishing by 6.30 pm.

On Saturday October 16th there will be a visiting band ringing at 11.00 and 11.45 (time tbc).

We are always pleased to welcome visitors, either ringers or non-ringers who just want to see what goes on in the ringing chamber. Come along any practice night and join us for a drink afterwards.

Gardening Club

Hopefully at the end of the summer we can start the Gardening Club again. However some of our committee are retiring and we would like to ask our members, or anybody else interested, to become committee members and help with this popular club.

Jean Turner

Rowde & Bromham Mothers Union

Rowde & Bromham Mothers Union will resume on Thursday 9th September at 2pm in St. Nicholas Church, when we will discuss future meetings and events.

All are welcome.

Carole Myers

Bromham Phoenix Club

The Phoenix Club have managed to find a temporary new venue for meetings at Derry Hill village hall. There is a good bus service for members without a car, with just a short walk to the hall. There are parking facilities for members who drive.

We are starting meetings again on Tuesday 14th September, and we would like to welcome all our old members to our first get-together.

The AGM will be on Tuesday 28th September when plans for the club will be discussed.

Monday Club

We are delighted to have a new home at Angell House, with the kind consent of Aster and the residents there. There is a lovely lounge, with comfortable chairs and a nice kitchen. For the members who live at the Highfield end of the village it is very easy to get to.

We have managed to meet every week since the fire, spending some weeks in the church. Church was a lovely space but we thought it might get a bit cold come the autumn. We have had some new members join us over the last few weeks. If you would like to come and join us do get in touch. We hope to be able to resume our programme of speakers in the autumn.

Monday Club is looking for 3 new trustees. The Trustees are there to make sure that the finances of the club are in order and to resolve any serious issues should they arise. The Trustees will meet twice a year, so the time commitment is very small. As a Trustee you can be any age over 18. Whilst an interest in the issues effecting older people would be an advantage it is not necessary.

Please contact Carol, the Chair of Monday Club, to find out more. Email: cmhindle@outlook.com

Bromham Little Angels Toddler Group.

We had a wonderful end of term picnic at the Westbrook on 13th August, the children had a lovely time.

The group will resume on Friday 10th September in St. Nicholas Church Bromham, 9-15 to 11-00 am. This will be a session of crafts and other activities relating to harvest. Look forward to seeing you all.

All welcome.

Eco Bromham

It has been great to see so many varied posts from members on the Eco Bromham Facebook page. Posts about gardening for wildlife, living more sustainably, recycling, growing your food and ethical shopping, to name but a few.

We will be engaging with the Parish Council to set aside some areas of Parish owned land in the village, to be managed for wildlife. By sowing annual flowers, rewilding and planting we hope to increase the diversity of insects and bees. At our first meeting, the chair of the Parish Council was keen to support Eco Bromham. We'll keep you posted about developments and how you can help with any projects.

Next year we plan to have a 'Gardens for Wildlife' competition. It's not too early to start planning how to make your garden attractive to all those bees, birds, beetles and butterflies, so keep the suggestions coming.

Please let us know (DM Facebook Page) of any funding opportunities for eco projects which may be good for Bromham or that interest you.

THANK YOU!!

With one Bromham parish magazine (The Inspire) being superseded by another (The Hoot), I would like to publicly thank Heather and her team for all their hard work making the Inspire magazine.

Heather and Michael Armstrong produced the Bromham Parish Magazine, every month without fail, for well over 30 years. Editing Inspire took Heather many hours each month, she also organised the adverts and then she and Michael printed each page at their home.

A large team of volunteers collated and stapled the pages each month. I joined the team in 1991, by which time the magazine was well established. Others that I remember who helped at the time included Isabel Grose, Ernest Butler and Harry Rees.

The Revd Glyn Brown became the parish priest of Bromham, Chittoe and Sandy Lane in 1979. Soon after his arrival he produced a parish newsletter most months, this was just one A4 sheet printed both sides at first, and it consisted of, mostly, church news.

By January 1989, issue number 100, it had become the parish magazine and was now called 'Inspire', with the front cover as shown here. It now consisted of two sheets (4 pages). Heather Armstrong became the editor for issue 104 in May 1989. In this edition four persons were thanked for items that they had contributed, Mary Lugg, Bob Perrett, Jim Hughes and Dennis Powney.

Keith Mahoney designed a new cover for the edition of March 1990. This cover design lasted just over thirty years until the very last edition. This design reflected the fact that it was now the magazine for every one in the parish.

Heather continued as the editor until the end - for well over thirty years. Due to the Covid lockdown, the April 2020 edition was to be the last, the magazine had vastly increased in size and now consisted of eleven sheets, 22 pages.

Editions of the Inspire magazine are now deposited at the Wiltshire History Centre, this amounts to well over 300 copies over the years.

So, once again; Heather, Michael, and all of the volunteers over the years - thank you very much from Dennis Powney, and I'm sure many others in the village.

BROMHAM SOCIAL CENTRE UPDATE

September 2021

AUGUST

- ☑ Demolition contractor started work on clearing site, demolishing remaining structure and removing the foundation slab.
- ☑ Decorate and fit out temporary building

EARLY SEPTEMBER

- ☑ Temporary building ready for use. Booking via the Social Centre Committee.
- ☑ Site cleared and made good
- ☑ Village consultation begins on requirements for new social centre

SEPTEMBER - DECEMBER

- Results of initial consultation reviewed and options prioritised
- Possible architects shortlisted
- Brief for design of new social centre prepared

Since getting approval from our insurers progress has been swift - both in getting the temporary building installed and usable, and in demolishing the remains of the Social Centre and clearing the site. Demolition has now been completed, and the site should be finally cleared by the time this Hoot has been delivered.

The Clubhouse: As you may have seen the temporary building (now being referred to as 'The Clubhouse') is now insitu and operational, therefore we are delighted to say we are ready to accept bookings. A perfect space for meetings, small parties etc, with a comfortable occupancy of 40-50 people. Booking enquiries can be made via email: **clubhouse@bromhamsocialcentre.co.uk** or by phoning Dave Paget 01380 859492.

Thank You: A huge thank you to all those who have donated time or materials to get The Clubhouse ready so quickly: Travis Perkins - paint; Simon & Sue Dick - decorating; The Wednesday Club; Jenny Blackman - crockery; Devizes Fire Protection - fire extinguishers; Phil Dyke; Neil Davison. Apologies and thanks also to anyone else missed from the list.

Social Centre Rebuild Committee: The Social Centre Rebuild Committee was set up as a sub committee of the Parish Council (who own the site and held the insurance policy). It therefore has to operate under the Terms of Reference set by the Parish Council. The committee meet in public every two weeks, and any villager is welcome to attend. If you would like copies of the agenda, please contact the Secretary or see the Facebook page. We will set aside the first 15 minutes of every meeting for public engagement.

Minutes of meetings will be published on the Facebook page and on the new notice board outside the Social Centre car park once they have been approved.

Chairman: Jonathon Seed - 07770 774463 / email: Seedjaa@jandlseed.co.uk

Secretary: Sam Paget - 01380 850246 / email: sampaget76@gmail.com

Parish Councillors: Peter Paget; Jim Butler; Keith Mahoney; Sam Paget; Adam Slusarczyk; Adam Collins; Peter Hindle

Social Centre Committee / Village representatives: Pete Davis; Adam Dempsey; Neil Davison; Phil Dyke; Stacey Wall;

Sue Wilkinson; Malcolm Turner

Keep in touch or send a message via our Facebook page: @BromhamSocialCentre

HOW DO I GET A SAY?

The old Social Centre served the village well for nearly fifty years - now we need your input to design a new Social Centre that will meet the needs of the village for another fifty years. This is your chance to influence the design of the new Social Centre. It's really important that we get ideas and suggestions from all age groups, especially the younger members of the community. No decisions have been made or will be made on the design or the content of a new building until all village views have been received and reviewed.

The first stage of the consultation is this questionnaire (see next page) to gather suggestions from as many villagers as possible. Either fill in the survey here or online - on the Social Centre Rebuild Facebook page, or pick up a paper copy from: Church Porch, The Village Shop, HF Stiles. If you need more space to share your views, please add additional sheets or pick up a paper copy (which has more space).

Completed questionnaires should be posted in the new post box at the Clubhouse by Friday September 24th.

We would also like to ask any organisations and groups that used or hired the Social Centre in the past, or are likely to in the future, to submit their detailed requirements and their suggestions as a group. We will be sending a separate survey to all of the previous users that we know about. If you currently lead or want to set up a new group in the Social Centre and haven't received or would like a form, please contact:

Sue Wilkinson - phone: 07793 363391 - email: sue.vwilkinson@btinternet.com

The second stage will be for the committee to review and collate all the suggestions and put together a list of priorities. Hopefully at this stage we will also have a better idea of the budget. At this stage we will probably need to ask the village to prioritise various options to help us make choices.

The final stage will be to create a design brief for the architect stating the requirements for the new social centre building.

Suggestions can be anonymous, but if you would like to give us your contact details, we will keep you up to date.

SAVED FROM THE ASHES!!

Before the demolition contractors cleared the site a number of items and memorabilia were recovered:

- The "Ivor Gardner Celebration Seat" was retrieved from the entrance, and although badly scorched Den Fillis has cleaned it up and had it re-varnished so that it can be used again.
- The half-crowns donated by the original members of the Social Centre committee that were displayed inside the entrance have been found and cleaned up so that a new frame can be made and they can be displayed again.

 We have also retrieved a number of artifacts that we think came from the Millennium Wheel. Eventually we would like to put as many of them as possible back on display in the new building, but we do need help in identifying them. We'll arrange to put them on display in the Clubhouse later in the year for villagers to identify and to explain the stories behind them.

YOUR PHOTOS

Thank you to everyone who sent in photos for the cover, and to all those who sent photos of their wild flower gardens to the Eco Bromham Facebook page. We've tried to include as many as possible. Please do keep on sending us your photos.

For a photo to work onthe cover of the Hoot it must be: portrait format rather than landscape; high enough resolution to print well at A4 (a phone picture is usually fine as long as it isn't zoomed in); enough space at the top for the title and the date without hiding the main image
