### WELCOME TO THE BROMHAM HOOT

Welcome to the November - December 2023 edition of The Bromham Hoot.

It's another full magazine with information about the Christmas services at St Nicholas and the Methodist Chapel, details of events in the village and the usual reports and updates from village organisations and clubs.

Thank you to everyone who sent in photos for the front cover. The image we have chosen is from Jennifer Holliday of maple leaves on the church steps. Usually we would try to put a selection of the images in the magazine for everyone to enjoy but , as you will see, this time there was absolutely no space left.

As this will be the last Hoot of 2023, we would like to wish all of our advertisers, contributors and readers

## Merry Christmas and a Happy New Year.

The next issue of The Hoot will be for January / February 2024, and will be distributed in mid January. The deadline for content and advertising is Friday December 22nd.

### **WANTED: Bromham Hoot Distributors**

I have been delivering the Bromham Hoot since its inception in 2020 and in the summer I joined the small team who distribute the magazines to our band of volunteers who put the magazine through your letterboxes.

I would like to say Thank You to everyone who has, or does deliver the magazines. It is appreciated by the whole village.

Being "new" to the distributing aspect of The Hoot I would like to have a list of people who feel they could deliver to their area of the village in the future. The magazine is produced six times a year. People's commitments change and they become unable to deliver either on a temporary or permanent basis. It would be a huge bonus to have a 'reserve' list of people to call on in those circumstances.

If you feel able to help at all, please contact me, Rachel Prichard, either by email <a href="mailto:rachel.prichard@btinternet.com">rachel.prichard@btinternet.com</a> or on 07759 009507. I look forward to hearing from you.

### **First Aid Course**

Several people have asked about the possibility of running a First Aid course for the village in the New Year.

lan Tuckett has agreed to run a two hour training session covering basic first aid and how to use one of the defibrillators. The training would be free, unless you would like a certificate - in which case there will be a small charge.

Once we have an idea of numbers then a firm date and venue can be arranged.

### **Best Kept Allotment 2023**

After a close competition. the winner of the best kept allotment 2023 is Mrs. Dawn Parr. The Judges (Keith Mahoney & Sam Paget), commented on the great variety of vegetables and wild flowers that Mrs. Parr has cultivated across her three plots, which have clearly taken many hours of time and commitment.

Mrs. Parr received the coveted engraved trophy, and a years free rent for one of the plots.

The Parish Council would like to take this opportunity to thank all those who upkeep their allotments, and anyone who wishes to apply for one, please contact clerk@bromhamwiltshire.org

### FROM THE METHODIST CHAPEL

### VILLAGE ORGANISATIONS & ACTIVITIES

### **Bromham W I**

The speaker for our September meeting was Kerri Johnson who worked in the NHS for many years in psychotherapy. She has now left the NHS and now has the franchise for the House of Colour in Bath. This is an organisation that helps people to plan their wardrobe using colour analysis to suit their colouring and personalities. The idea of colour analysis came from America and Germany in the 1930's. Kerri was an amusing and entertaining speaker and her talk certainly made us think seriously about the colours we wear during the year, according to what season it is. The competition for the evening was "a favourite scarf", won by Lesley Eacopo.

At our October meeting we enjoyed a most interesting and informative talk by Mary and Ben Bentley from the mid - Wiltshire branch of the RNLI. They are both volunteers in this organisation and are mainly involved in fundraising for this worthwhile organisation. The RNLI is funded completely from public donations and for the year 2022 the cost of running it was an incredible 188 million pounds. We were shown a couple of short films of rescues in very rough seas and slides of the first lifeboats from the 1800's to the very modern lifeboats of today. The RNLI was founded in 1824, and will be celebrating its bicentenary next year. At the beginning the lifeboats were always manned by men - and women only played a supportive role. It was not until 1969 that women were allowed to be in the crew. The main mission of the crew on a lifeboat is to save lives at sea and then property such as the belongings of fishermen - property that is needed for their livelihood. They also rescue animals - mostly dogs. The competition for the evening was "something orange". This was won by Helen Blackman with her cat Tig, who is our favourite Bromham cat. He had arrived at the clubhouse at the start of the meeting, stayed, so he was put into the competition by Helen. The first time Bromham WI have had a "live" exhibit win!

The next meeting of Bromham WI is on Wednesday 8th November when the talk will be on Derbyshire Well Dressing. Meetings start at 7.30pm in the clubhouse and visitors are always welcome.

To learn more about Bromham W I please contact Lesley Eacopo (850967). New members are always welcome.

### **Monday Club**

Monday Club enjoyed a visit to Serena and Craig Dalby's in early September, the weather was warm and we really enjoyed being in different surroundings. As ever our meal was delicious.

A couple of sessions recently have tried to encourage members to chat to people who they don't regularly sit with. Mix it Up Monday had a different arrangement of tables and suggested questions to ask each other. Can you believe that two members only paid £10 or £15 for their first cars? One week we had a feely game – members had to guess the objects in 6 different boxes, (nothing unpleasant!) and more recently we had some games of Beetle which caused quite a lot of laughter! We also keep fit with Ann's Move it Monday and enjoy Serena's delicious home cooked meals.

Thank you to everyone who supported our Autumn Coffee Morning when we raised just over £200. We'd also like to thank the Carnival Committee and the Café Team for their generous donations to our dwindling funds.

We're always looking for new members so why not come along and join us. For more information contact:

### **Bromham Youth Group**

During the summer holidays some of our members took part in a trip to Swindon and enjoyed LaserQuest (Well done Isaak the top scorer), crazy golf and a game of bowling. It was a fun day out and everyone enjoyed themselves and the friendly competition. Thanks also to Claire for driving the Seend Shuttle and getting us there and back.

It's been a busy few weeks back at Youth Club. Members have taken part in netball, tennis, hockey, badminton and football competitions. Plenty of dodgeball and bench ball activities have taken place each week and even a few rounds of Bingo. We are looking forward to our upcoming Halloween party and plenty of Halloween inspired games and activities. The club has welcomed five new members Tilly, Logan, Florence, George and Jack.

The club has recently had some fantastic support which enables us to keep running. We would like to say thank you to the following organisations:

- Netherstreet Plant Sale for donating £400 to the club. Carolyn, Liz, Mike and Steve have always been very supportive of the club. This is a fantastic annual event that has been very generous to local organisations for several years now and it's amazing how much they raise each year and share with local organisations. A huge thank you from everyone at the club.
- Bromham Carnival Committee for donating £500 to the club. The Carnival Committee organise such a fantastic day for the village every year and also other run other popular events leading up to the big day. The club were keen to help support selling tuck at the Carnival teddy trail this year and also enter a bear in this now very popular event. A huge amount of work goes into Carnival every year by a very hardworking committee. A huge thank you from everyone at the club.

- Bromham Clubhouse Cafe for donating £100. Another fantastic team that provides a cafe twice a week for people to meet, socialise and enjoy refreshments. A huge thank you to Den, Cath, Denise and Tracey (H).
- Wiltshire Council and Devizes Area Board for supporting us with a match grant. A huge thank you for continuing to support the club and the young people.

### **Bromham Amblers Walking Group**

We meet every Thursday at 10.00 am in the village car park by The Greyhound. The friendly group walk gently - with no stiles - locally. About once a month we share lifts to amble somewhere else. We arrange to have coffee somewhere every week at 11 o'clock. We generally have between 8-20 people weekly walking and it's is a lovely supportive and fun group.

### **Phoenix Club Committee Announcement**

After 32 years of being a Social Club for the Over 50's with an annual program of meetings and days out by coach, the Committee have sadly had to make the decision to close the club after the Christmas Event being held on 12 December.

The decision is based on:

- Having to have a break due to Covid, then the loss of the Social Centre causing us to move to Derry Hill.
- Coach costs and entrance fees have risen steeply making days out less affordable.
- Clubs like Phoenix Club rely on new younger members joining to provide continuity, our members are now all 70+
- The members of the committee have served for many years and now wish to step down without being able to replace from existing membership.

Our members are very sad to be losing this long running community club.

### **Bromham Footpath Group**

After venturing further south in the county in July our last two pub walks have been rather closer to home.

In August Reg Cox led a walk from Biddestone. Lunch was once again at the Bell in Yatton Keynell as we hadn't had a chance to try out the local pub.

Then in September we decided to revisit the Green Dragon at Market Lavington, this time led by Nigel Tuck. Nigel didn't want to repeat the walk we had done before so earlier in the week had tried out two different routes. The one he chose to take us on turned out to be rather shorter than usual so we had time to explore the village until the pub opened. We were hoping the local coffee shop (cleverly named St Arbucks) would be open but alas it was not, so we decided to visit the church. The church was locked and so was the little museum nearby so we came to the conclusion that, apart from the pub, Market Lavington was closed on Thursdays!

If you would like to join us we meet every Thursday at 09.00 by the Clubhouse for a two hour local walk, except the fourth Thursday in the month when we venture out of the village. If you would like details of our next pub walk please contact me on **07905 188030**. We will be happy to welcome you to the group.

### **Bromham Gardening Club**

Bromham Gardening Club meets on the third Thursday every month in the clubhouse from 7.30 - 9.00pm (unless there is a garden visit).

### **Programme for next 3 months:**

16th November – A talk about No Dig Gardening by David Robinson

21st December – A fun celebration quiz and refreshments

**18th January** – Foraging For Food – a talk by Fred Gillam

Fees are £25 per year or £3 per session for visitors – everyone is welcome.

In November we had a very interesting talk by Jackie Thomas from Sustainable Devizes all about gardening for wildlife and what little things we can do to provide food and habitats for our native birds and other wildlife.

### **SUTTONS SEEDS DISCOUNT OF 50%**

ANYONE is welcome to use our discount code of **SUGS233X** – this will get you 50% off all seeds and 15% off any other live products including potatoes, garlic, onions, plants, bulbs and fruit. You can use it online at www.suttons.co.uk or if you prefer we can provide you with an order form.

Please look for updates and reminders on FaceBook (Spotted in Bromham) and on the village notice boards. We also have email notifications if you'd like to be added. For any information please contact Judi on 850611 or 07789 537775 (preferably by text or WhatApp).

### **BUSY KIDS NURSERY**

Bromham, Wiltshire

The preschooler's were lucky enough to have a visit from a nurse this term. She brought her special stethoscope, thermometer and oximeter. The children heard their own heartbeats, and measured their temperatures. They then moved on to their own Busy Kids hospital to nurse each other. We have had a big focus on healthy eating this term. We have created a café in our home corner where the children have been serving delicious food to their friends.

We visited the church recently and the children loved looking at the stained glass windows. When we got back, we decided to recreate our own! We have had a big focus on listening this term and made ourselves big listening ears to wear to remind us what an important skill it is.

This term our youngest children have been learning about their body parts. We have played body part bingo and we have been singing heads, shoulders, knees and toes. We have also been learning about keeping healthy including how to keep our teeth healthy. The children made some lovely teeth paintings.

We have been doing lots of messy play with paint and rollers. We have spent lots of time exploring the woodland area where the children found sticks and went on a bug hunt.

One of our wonderful committee members has been successful again with an application to Tesco to be part of their blue token scheme.

If you shop at Tesco, from the first week of October 2023 until the middle of January 2024 Busy Kids will be one the charities you can choose to contribute your blue token to at Melksham Tesco Express and Trowbridge Tesco Extra as well as some of the smaller Tesco Express units in Westbury, Trowbridge and Warminster.

If we get the most votes we will receive £1,500, second place is £1,000 and 3rd place is £500 any of which would be wonderful to help with our fundraising.

### Thank you!

We have had lots of wonderful support over the last couple of months from local people and organisations.

We would like to say a huge thank you to Anna Dillon who raised an incredible £1,145 for Busy Kids by doing a 6 hour sponsored spin!! Thanks also to Energym Fitness in Melksham who kindly hosted the event.

We received a very generous donation of £100 from Bromham Clubhouse Café. Thank you very much, we are so grateful.

Thank you so much to the carnival committee for very kindly donating £500 to Busy Kids. It is very much appreciated.

### **CHARITY CAR WASH!**

On 24th September we held a charity car wash which was a huge success raising over £800 for the nursery. We also had a coffee and cake sale, vegetable stall and tombola as part of the event.

We would like to thank everyone who gave up their time to help us run the event, to everyone who donated a raffle prize or baked a cake and also everyone who came along to support the event.

Special thanks to Pagets Produce who generously donated the veg for us to sell, to the Social Centre committee for allowing us to use the clubhouse and to Neil Davidson and Bromham Football Club for allowing us to use the water supply. Thanks also to Tesco Express Pewsham, Asda Melksham and Halfords for donating car washing supplies and refreshments.

We are thrilled to announce the establishment of the new Charitable Incorporated Organisation (CIO), the launch of its new website and to reveal the logo for Bromham Community Hub.

Please find out more by going to www.bromhamhub.org

The fresh logo represents inclusiveness, coming together and our commitment to a vibrant future as well as embracing the traditional features of Bromham.

We invite everyone to explore and stay connected with us as we embark on this exciting journey towards a brighter future for our community.

Our website allows us to provide you with a single central point for all information related to the CIO, the rebuilding project and our activities. We also plan to provide you with information about the wide range of activities offered, and services available, in the village. Please take a moment to find the website and read more. On the website we already have a timeline of activity since the fire in June 2021 and this will be updated regularly.

### Q: Why set up a new charity?

**A:** The new charity has been set up as a Charitable Incorporated Organisation (CIO). A CIO is both a charity and a corporation with a legal personality which can enter into contracts, hold property in its own name and which meets all the current legal requirements to allow us to conduct business in the same way as a private limited company. However, most significantly, CIO status is often a prerequisite for major grant applications. As a charity all profits must go back into the business, to support the Hub, and to further improve the quality of life for all Bromham residents. The Trustees of the new charity take this responsibility very seriously.

### Q: Who runs the Bromham Community Hub charity?

**A:** The Bromham Community Hub is legally accountable to the Charity Commission and must abide by the 'Constitution' document that was approved in April by the Charity Commission. There are five Trustees, the initial group were all invited to start up the charity because of their relevant professional experience and expertise. The Trustees act in a voluntary capacity and will stay in post until October 2024 when, under the terms of our constitution, the initial Trustees must stand down and an election takes place. No Trustee may serve for more than two three-year terms to ensure that the Trustee group is constantly refreshed. More information on our current Trustees is provided on the website.

### Q: Who will look after the day to day running of the new Hub?

**A:** The CIO Trustees have been clear from the start, that they want to involve the existing social centre committee in the ongoing management for the new Hub. The team will work alongside the Trustees, who as part of their strategic management of the charity and legal duties, will submit the statutory information to the Charity Commission, and others. We will also be looking to build a bigger team of volunteers from the Bromham community to participate and be involved with business development, fundraising, managing bookings, organising events, liaising with community clubs and activity leaders, maintaining the new building and keeping day to day records.

### Q; Who are the 'Members' of the Bromham Community Hub CIO?

**A:** All the adult residents in the Bromham parish can become 'Members' of the Charity by signing up to Bromham Community Hub (via the website in due course) and it will be all of you, the Members, who will vote to elect Trustees going forward and influence important decisions.

### Q: It seems like nothing is happening - What 's going on now?

### 1. New Building

As you will see from the website timeline, while things have appeared to be quiet and nothing happening, a lot of work has in fact been going on in the background to take the rebuilding project forwards.

Since the planning consultation meeting in June (in the marquee), where there was overwhelming support for the proposed building, the architects have refined the drawings and ensured the design meets the vast array of regulations. The necessary surveys to support the planning application have now been completed and the finalised planning application will be provided to the Parish Council for approval very soon.

The Parish Council have indicated that they then wish the Bromham Community Hub (BCH) to take on the procurement process of selecting a building contractor, agreeing the contract and taking over the formal responsibilities of 'Client' at that point.

BCH is very mindful that a number of new laws came into force in October 2023 as a result of the Grenfell fire, and that our Hub construction is classed as 'a controllable structure' and is 'Class 5' under Part B (Fire Safety) building regulations. Acting as the 'Client' for the project BCH would have some new, very clear, legal obligations to undertake. Once it is formally agreed with the Parish Council that BCH is to take on this Client role, the invitations to tender will be prepared.

### 2. Grants and Fundraising

We are in no doubt that currently the Parish Council does not have enough funds from the insurance payment to rebuild the new building. We need to do some major fundraising to be able to build our new Community Hub.

To enter into any contract, BCH must have sufficient funds available in its account to complete that contract, plus a contingency sum. Initially the Parish Council hoped to obtain £250k from grants to complete the building shell and a further £250k raised locally over time for fitting out the building with furniture, kitchens, room dividers, IT & audio-visual equipment and for landscaping the exterior. There has been a 10% increase in the floor area of the building during the design process, the extra space being needed to meet villagers' design requests and some regulatory requirements. Inflation may well also now have played havoc with these initial estimates, although recent soundings on current construction costs look favourable.

Until the tenders from the construction contractors are returned we do not know exactly how much extra money will need to be raised. BCH will need to move forward with fundraising very soon and we would ask you to watch the website **www.bromhamhub.org** for regular updates and for ways you can help and contribute.

On 11th October BCH re-applied to the Community Ownership Fund for £250k after the first application was turned down. We believe we have strengthened areas of weakness in the business plan and that the reapplication, involving many hours of detailed work, will be successful.

We have also submitted an 'Expression of Interest' to the National Lottery Community Fund and recently received a positive response, inviting us to make a formal application. We have had an initial face-to-face meeting with a Lottery representative and need to have construction tenders returned, and costs known, before we submit the full formal application for up to £100k. As part of their due diligence procedures for grant approval The Lottery will scrutinise our procurement process, and the tender assessment decision-making process we have used to identify our preferred contractor. We have already started working on this Lottery application, as again there is a lot of detail required.

An application has also been made to Community First, which is a fund set up by waste management companies. We have targeted this application at funding for furniture, as we will not know the outcome of the application, and the funds cannot be made available, for 18 months.

We are still waiting for HMRC to register us for Gift Aid so that we can get the Buy a Brick campaign up and running again. As soon as this is confirmed Mel will be in touch with everyone who has already promised their support.

Finally, please see the advert for our *easyfundraising* link at the bottom of this page. *easyfundraising* partners with over 7,500 brands including Amazon, John Lewis and Argos who will donate part of what you spend with them to us at no cost to you.

BCH needs to start major fundraising activities to fill the funding gap between what we have already and what we need. If anyone reading this has professional fundraising experience, or good suggestions, innovative ideas and is willing to help BCH with fundraising, please get in touch at contact@bromhamhub.org

### 3. Developing the Website

We are really pleased and excited with the positive feedback we have already received about the new website. Thank you.

We hope that Bromham Community Hub will become more than just a building, and the website will eventually also become the main "Electronic Bromham Hub" – a way for everyone in the village to easily find out on-line about events and activities going on, as well as provide 'click links' to our main partners' websites.

We do need help to gather the information about events and meetings from clubs and leaders to make this happen. If you run a club or an activity for Bromham residents and would like to promote

your club information e.g. explanation of who you are and what you do, any planned activities, photos of recent events, your calendar for the year uploaded, or a hyperlink on our website to your own website, please get in touch at **contact@bromhamhub.org**. We are collecting information now.

Soon we will be asking 'Businesses' and 'Services' located in the Bromham parish if they would like to be linked to our website so that residents can search for the contact details of local people to work with. If you are a large business, a small business or a village service such as a hairdresser, dog walker or clothing alteration business etc, please start thinking about what information you would like to share.

Our resources to complete the website work are limited, and we are having to pace ourselves – hence gathering and uploading business and services information will have to be in a few weeks' time. Anyone who could volunteer to help collate all of this information with us, please let us know!

### St Nicholas School

September saw St Nicholas School welcome the new Reception children who have settled in wonderfully, making new friends and getting to know their teachers quickly. Our new balance bikes, school lunch, PE and learning outside are popular activities. Lots of children brought their teddy bears and enjoyed our bedtime story session while their parents joined teachers for a workshop on supporting learning to read at home.

In a recent survey, our new parents have said;

"It's small and personal. I feel every child shines."

"Small, friendly school where the children are encouraged to do their best."

"Good school, staff do their very best to meet every individual's needs and aspirations."

### Clubhouse Café

An amazing month in the Cafe in September, after all expenses the sum of £1418 was raised, and we were able to donate £100 each to: Busy Kids; Bromham Youth Club; Bromham Monday Club; Mothers Union (to help local underprivileged family). The balance will be divided between Dorothy House Hospice, Wiltshire Air Ambulance, Julia's House and EVS Blood Bikes.

The Clubhouse Cafe is open Thursday and Friday from 10.30 until 1.30, please come and visit, it is such a lovely, friendly atmosphere.

Thanks to all our patrons for your continued support.

### **Charity Events**

Thanks to everyone who attended our recent charity events.

Firstly the Curry and Quiz night held in The Clubhouse on Friday September 15th. Thanks to our quizmaster David Sibun.

After expenses £492 was raised, which will be going to Dorothy House Hospice soon.

Secondly, the History Night held in St Nicholas School on Friday October 20th. Many thanks to Dennis Powney for his very interesting and informative talk and slideshow. Also thanks to Hans Shell for setting up the sound system.

We had around 85 people attend this event. After expenses this event raised £942 which will be going to Wiltshire Air Ambulance.

We cannot thank you all enough for supporting these events because without you all they could not happen.

Cath, Tracy (Collins), Denise and Den.

### **BROMHAM & ROWDE CHURCHES**

Christmas is on the horizon once more, even though I'm sure summer was just last week! As I write Israel/Palestine is in the grip of war. Bethlehem, the place of Jesus' birth and which we sing about in our Christmas carols, doesn't currently live up to the picture we have of it. 'Above thy deep and dreamless sleep the silent stars go by' says the carol, but I imagine the residents aren't sleeping that well just now.

We are so fortunate to live in this quiet part of Wiltshire. We may sometimes disagree with our neighbours, but we don't face bombs and rockets. I'm grateful for the peace.

As we prepare to celebrate Christmas, let's remember that Jesus came to bring peace to the world and to every one of us. I hope the celebrations, with presents, food and parties, will not overshadow a determination to work for peace **and** justice here at home, in our country and in the wider world.

I wish you all a peaceful and happy Christmas.

Heather

### Letter from the Parochial Church Council

This letter was put together during the mini heatwave that we enjoyed in mid-October, which contrasts greatly with the greyness of early winter that you are probably seeing as you read this. We continue to be thankful for the ability to grow vegetables and fruit and marvel at all of our flowering species - but when the rain falls, what a chore to have to mow the grass so soon after the last cut!

Our summer warblers, swallows, swifts and martins have by now arrived back in their overwintering countries in Africa to be replaced by the Scandinavian thrushes that compete with our own thrush family for the berries in our hedgerows and any wind fallen fruit.

As we tidy up our gardens at this time, do try not to be too fastidious, as many of God's tiny creatures and the eggs of insects will be spending these cooler months in amongst the dead foliage ready to emerge next spring and ready to be hunted by the returning warblers and our own residents. What a fascinating cycle if only we make time to appreciate it.

Talking of produce, sincere thanks to Collins Farm Shop and Stills Farm for their generosity in donating fruit and vegetables for the well-attended Harvest Festival. The display of their gifts was enhanced by being arranged on an antique Covent Garden market trader's barrow with the barrow being used as it would have been in London years ago. After the service, the produce was donated to Downlands special school in Devizes.

We have also received another donation, this time financial, so a very big thank you to Spye Park for their very generous gift to our Parish Church recently. Every penny counts in keeping our Churches in good repair, funding events and keeping our Church in the forefront of our community. Thank you Spye Park for your kindness and support. It is very much appreciated.

At our one-day stall in the Devizes Shambles, we sold £264 of various homemade jams and other preserves. If you missed that day, we have another date booked at the same venue on Thursday December 7th. If you are unable to see us in December, you can always pop into our Churches and purchase the preserves there at the bargain price of £2:50 per jar or 5 jars for £10. Ideal Christmas presents!

By now, the closing date for applications for our new priest will have passed and obviously, we are hopeful that a suitable priest has successfully completed the interview process so that by the end of January 2024 we will know who that person is. Fingers crossed!

A reminder now, that if you or anyone you know is unable to attend Church Services, we are happy to bring the Sacrament of Holy Communion to you in your home. We know that those of you who have already participated have been very grateful and appreciative of this. So do ring John on 850908 or Cynthia on 859720, either of whom will arrange this for you.

As each year draws to a close, we generally look back and reflect on what has happened in our lives over the past twelve months and this year especially, we have seen too many deaths in our community. Death of course, is inevitable and part of life but somehow in 2023, it seems that our Parish has had its fair share of saying "Goodbye" to loved ones, the latest being Rod Amor, Janet Giles, (both local councillors in the past) and also The Revd. Clive Raybould. We extend our sympathies to each of their families and friends and may they Rest in Peace. Indeed, as we look back remembering those friends who are now gone, we continue to hold them in our thoughts and prayers as well as those unknown to us.

As we've mentioned before, both of our Churches are open every day, so please don't hold back or be fearful of opening the ancient oak door to go inside for a moment of peace and solitude whenever you feel the need to do so.

As we look back, we remember the celebrations of Marriage and the Christenings held in both of our Churches this year, reaffirming that both Churches are truly the perfect place to confirm love for each other and wellbeing to all. May the love that that was blessed, grow with time.

As Christmas approaches, we have a number of events to look forward to in our churches including: the Bromham Bash; our annual Christmas Tree Festival; the Christingle Service for children of all ages, Carol Services in Bromham and Sandy Lane and the Crib Service. Details for all these events can be found on other pages of the Hoot.

Do come along with your friends and families. The fun, the Services and the Christmas trees really do enable us to put away any anxieties or sadness in these wonderfully decorated and lit atmospheric spaces, getting everyone in the spirit of Christmas whether believers or not.

Finally, here are three actual notices that were spotted on different Church Noticeboards recently.

"Don't let worries kill you, let the Church help".

"While the Rector is on holiday, any massages can be given to his secretary"

"Our verger unveiled the Church's new giving campaign with the slogan, 'I upped my giving, up yours'.

We wish you all a Joyous Christmas and a Healthy and Prosperous New Year, Cynthia Wilkinson, John Drew, Anne Smith, Linda Drummond Harris, Heather Armstrong, Dennis Powney, Phil Bayley, Ernest Escott.

### LAURA MAYES - Wiltshire Councillor for Bromham, Rowde & Roundway

### An extra £10m to improve our roads!

Residents and Parish Councils tell me regularly that the maintenance of our roads is one of their top priorities. I'm really pleased therefore, that prudent financial management of Wiltshire Council's budget has meant an extra £10m has been secured for preventative highways work.

This will be on top of the £14m the council will spend this financial year on highways maintenance. The additional money will be spent on preventative maintenance and a road resurfacing programme including small, local repairs to the highways; verge repairs on rural roads and materials to support volunteers working on public rights of way. Work on potholes will continue in parallel, with £2m existing funds and the government's recent £3.6m additional grant.

The preventative investment will reduce the number of potholes forming on the road network, improve road safety across the county for all road users, improve customer satisfaction and reduce the number of highway defect reports to the Council, which will save officer time by reducing the number of ad-hoc inspections required and expensive reactive works.

The programme of additional highways work will begin with identifying the roads due to be resurfaced and give Area Boards the opportunity to comment before the work programme begins in earnest from April 2024 until the end of 2025. Meanwhile please do continue to use My Wilts to report concerns.

As ever, please contact me if you need help with any Council issue including Highways, Anti-Social Behaviour, Planning, and Housing.

## **RBL Bromham Branch 1922-2022**

### Welcome to the latest insight from Bromham Veterans.

Hopefully readers of this latest update from Bromham Veterans have enjoyed the late unseasonal warm weather and are now getting ready for the festive season. Looking ahead, we have Remembrance Sunday Service and the monthly 3<sup>rd</sup> Wednesday Social at the Greyhound. In the New Year, we will be having our annual Veterans Lunch; a big thanks to the Greyhound for hosting us. If you would like to attend, please contact Julian, Neil or email us at the contact details below.

RBL Veterans will be putting up a Christmas Tree in the Church for this year's Bromham Christmas Tree Festival, so please come and view this.

We will be having an earlier Quarterly Meeting in December so that we can focus our priorities on looking forward to the Festive Season with our families and friends. The Meeting will take place in the Bromham Clubhouse at 7:30pm on Wednesday 6 December, followed by an equally early Veterans' Social in The Greyhound afterwards. We look forward to seeing you there.

Next year, we will be planning day trips and it has been suggested the odd 'ramble' up a hill or two or three ... This is something that we could look at doing when the weather picks up in spring / summer.

### **Upcoming Calendar of events**

Sunday 12<sup>th</sup> November 2023 – Remembrance Sunday Service at the Church, followed by laying up of wreaths at the memorial. 15:00hrs Wednesday 15<sup>th</sup> November 2023 – Veterans 3<sup>rd</sup> Wednesday Social at The Greyhound – 19:30hrs

Western St. Dereck 1992 By Constant Market Constant And St. Constant Consta

Wednesday 6th December 2023 – RBL Quarterly Meeting & Veterans (early) 3rd Wednesday Social at the Greyhound – 19:30hrs

Saturday 16th December - Bromham Christmas Tree Festival begins in St Nicholas' Church

Wednesday 17<sup>th</sup> January 2024 – Veterans 3<sup>rd</sup> Wednesday Social at The Greyhound – 19:30hrs

February 2024 - Veterans Lunch at the Greyhound - Timings and date to be confirmed?

Please let us know if you would be prepared to help in whatever way you can by emailing us at <a href="mailto:bromhamveterans@gmail.com">bromhamveterans@gmail.com</a>
Whatever support you can give will be most welcome.

### **Tote on Tour competition**

Villagers are definitely seeing the world and taking their tote bags with them. The latest photos are from as far afield as Abu Simdel, Egypt; Jabal Akhbar, Oman; Norway; the Black Sea beaches of Bulgaria; as well as Greece and various other destinations in the Mediterranean.

The current leaders are still Rachel and Paul Mortimer who took their tote to Disney's Magic Kingdom Florida, 4275 miles from Bromham. We hear that visits are planned to Australia and New Zealand before Christmas - hopefully you remember to take your totes!

There are still a few totes left to buy from any of the Carnival Committee or from The Patchwork Rabbit. Remember the deadline for entries is Christmas 2023

The Pudding Run Team would like to give advanced information for the annual 10-kilometre race on Sunday 3rd December 2023.

The race starts from Greystones at 11:00am and completes a circular route twice around the village. The route travels along the High Street, onto New Road, onto Hawkstreet, onto the A342 Devizes Road, onto Highfield, onto the Pound, onto Horsepool and back onto the High Street with the race ending at the Social Centre car park following completion of the second lap.

As always, we would like to thank you for your patience, and we hope to minimise disruption but would like to apologise in advance for any inconvenience caused. If you are able to avoid parking on the route and in particular on the High Street or driving around the village between 11.00 am and 12.30 pm it would be greatly appreciated.

Please come out and support the event and cheer the runners on, this helps both the runners and volunteers.

As we did last year, we plan to use the Social Centre car park and the Jubilee Field for runners registration, so please can we ask you to spread out around the course and avoid the most congested areas such as the start and finish.

Please can we also ask for people to avoid overnight parking in the Social Centre car park the night before the race as setting up will be earlier than normal due to the above facilities being set up.

The race is the biggest fund raiser for our wonderful school with all proceeds going St Nicholas School

If you would like to <u>help out</u> on the day or wish to <u>sponsor</u> this fantastic fundraising event, then please email the team at: <u>puddingrun@live.com</u>

See you on the day!

Best wishes the Pudding Run Event Team

### Do you know about the Seend Shuttle?

On Tuesday mornings it runs to Bromham and Melksham and on Thursday it 'shuttles' between all parts of Seend and Devizes and Bromham. Even if you have your own transport, try using the Shuttle now and then to avoid the hassle of parking and enjoy travelling among friends. Those over-60s who are in possession of a bus pass can use it on the scheduled services.

When the bus is not required for scheduled services, it is available for private hire. The cost to hire (inclusive of VAT) is 90p per mile with a reduction to 66p for miles over 200 and with a minimum charge of £13.80. This includes fuel but you are usually expected to find your own driver who has to be approved and accepted on to our list of insured drivers. The bus has seats for sixteen passengers plus driver.

The credit for all of this lies mainly with those people who give their time voluntarily to organize the finances and bookings, keep the bus road worthy and volunteer to drive. As with most voluntary organisations there is always work to be done and not enough people to do it! So, if you are a driver with a D1 on your licence we would welcome you into the fold, even if you are only occasionally available.

Further information can be found on the Seend website <a href="www.seend.org.uk/seend\_shuttle.shtml">www.seend.org.uk/seend\_shuttle.shtml</a> or email them at seendshuttle@gmail.com. You can also ring Alison Cobbing on 07951 030491 to enquire further about timetables, etc.

### Notes from the Belfry

On Saturday September 9th, one of the hottest days of the year, six of us gathered to ring a quarter peal to celebrate the silver wedding anniversary of Danny and Tara Adams.

A quarter peal involves ringing 1260 changes without a break, which on our bells takes 45 minutes. Even with the door and windows open and two fans going it was warm work. Despite the conditions we were successful and we celebrated afterwards by opening a bottle of chilled fizz and toasting the happy couple.

A full peal consists of 5040 changes. An odd number you would think but its origin goes back 300 years when English change ringing was evolving. Ringers had been trying to find ways of ringing the maximum number of different permutations possible on seven bells which they called a full peal. They finally achieved their goal and the first full peal was rung on May 2nd 1715 at St Peter Mancroft Church in Norwich. As this is beyond most of us we tend to make a quarter peal the standard performance for celebratory ringing.

Maybe you have a special occasion you would like us to ring the bells for. We would be happy to arrange this for you and hope that your special event doesn't occur in a heat wave!
